

The goal of the game  
is to work together  
to get to the end  
without dying.

M'kay...

You jump with A,  
attack with B.

Just remember, don't  
step on the red tiles.  
They kill you.

Any  
questions?

Kind of a lot.

Let's just  
play. You'll  
catch on.

Woops!  
You stepped on  
a red tile.

6x  
3x

I thought  
I was the  
other guy.

I'm the red  
guy, you're  
the green  
guy.

It  
all looks  
the same  
to me.

Wait—are you  
color blind?

I don't  
see in black  
and white!

Oh.

It's not a  
big deal.

No  
No no, it  
means you don't  
see certain  
colors.

Whatever.  
It's fine.  
I don't  
care.

Yea, it is fine!  
Let's keep playing.  
We'll make up our own  
rules!

Hey...  
you ok?

The next day.
